DETAILED ACTION

Examiner's Reasons for Allowance

Claims 1-9, 16, and 21 are allowed over the prior art of record for the reasons set forth in the previous Office Action (0306).

Claims 22-39 are allowed over the prior art of record for the reasons set forth below.

The following is an examiner's statement of reasons for allowance:

As to claim 22, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method of testing image sensors comprising splitting a digital test image into a plurality of images, and applying one of the plurality of images on to at least one image sensor, in combination with the rest of the limitations of claim 22.

As to claim 33, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method of simultaneously testing a plurality of image sensors comprising generating a plurality of digital test images using a digital light processing control system, and applying an identical generated image onto each of a plurality of image sensors, in combination with the rest of the limitations of claim 33.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
